Venn Word Problems

Write each name in the Venn diagram. Then answer.

Name	Has a Brother	Has a Sister
Ava	✓	✓
Ben	✓	
Cruz		✓
Dev		
Emi	✓	✓
Finn	✓	

Name	Has a Brother	Has a Sister
Gia		✓
Hugo	✓	
Isla		
Jay		✓
Kai	✓	✓
Lena	✓	

1. How many children have a brother?

2. How many have a sister but no brother?

3. How many have no brother and no sister?

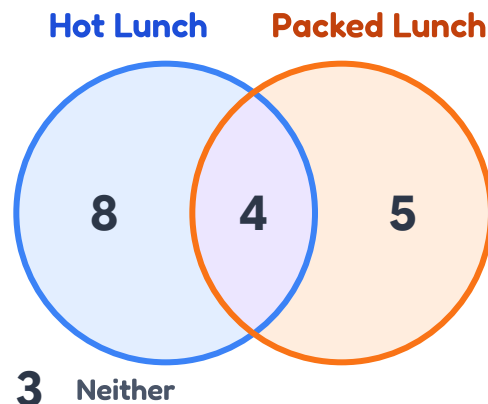

Venn Word Problems

Fill in the Venn diagram for each story. Then answer.

Example

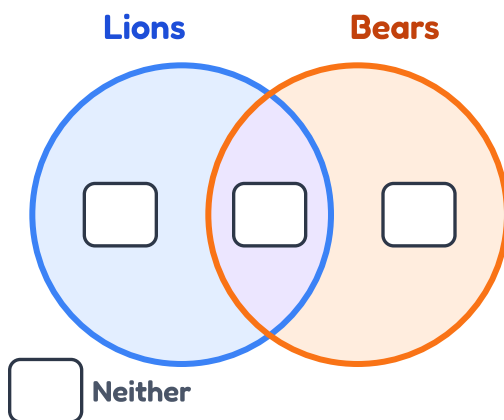

There are **20** children. **12** like hot lunch. **9** like packed lunch. **4** of them like both.

How many like neither? 3

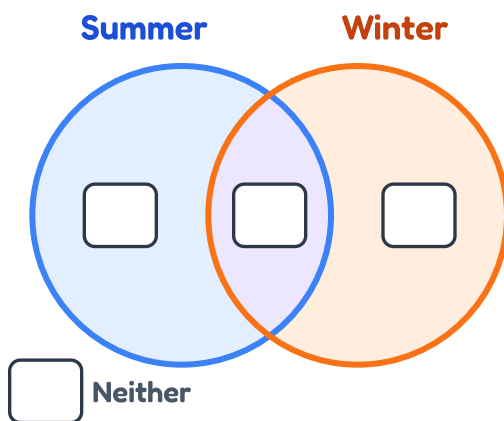

At the zoo, **18** children went on a trip. **10** saw the lions. **7** saw the bears. **3** of them saw both.

How many saw neither? _____

There are **25** children in a class. **15** like summer. **13** like winter. **6** of them like both.

How many like just one of the two? _____

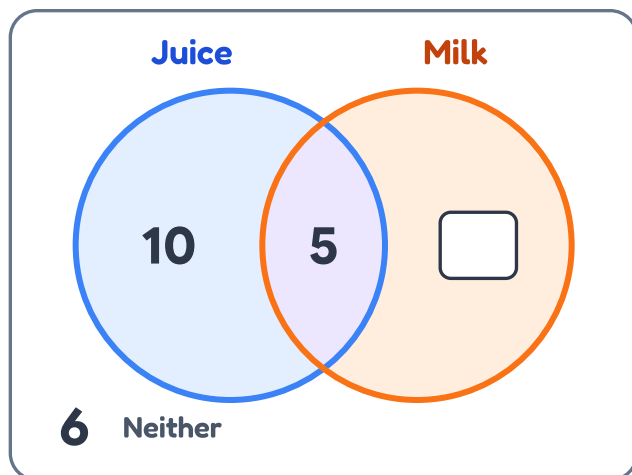

Venn Word Problems

Find the missing number in each Venn diagram.

A. Drinks at lunch

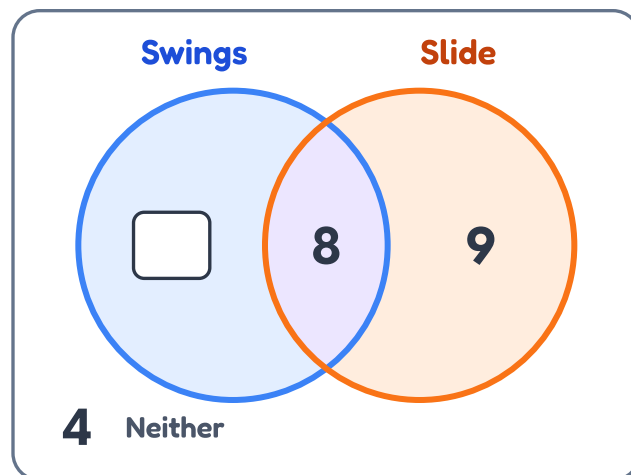

There are 28 children in all.

How many drink milk? _____

B. At the playground

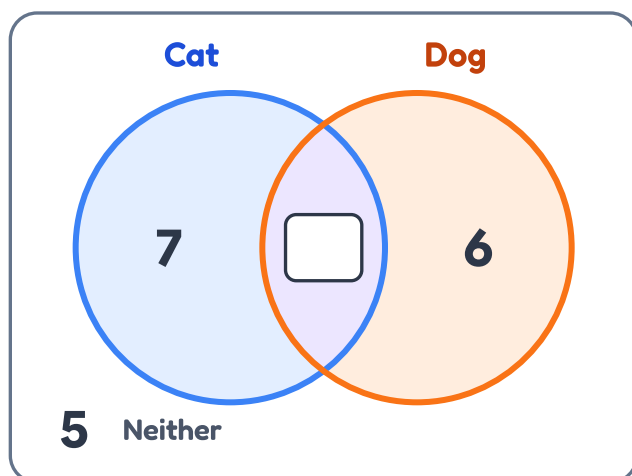

There are 30 children in all.

How many like the swings? _____

C. Pets

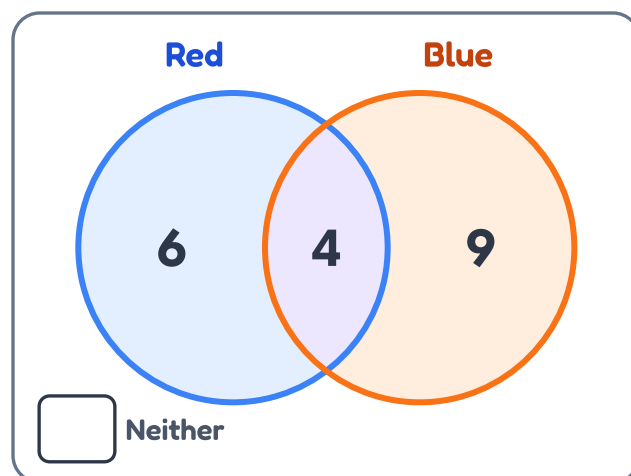

15 children have a cat.

How many children are there in all? _____
